

# Tips for *food safety* ✓

Wash your hands with soap and warm water before eating.

Put foods back in the refrigerator.  
Don't leave them on the counter.

Hamburgers should be brown in the center, not red.

Clean the counter with warm,  
soapy water.

When helping Mom cook, don't eat raw food or cake mix if it contains eggs.

Fight germs. Wash and  
bandage cuts.

Throw out foods that may smell bad. Ask a grown-up for help.
